SLP to complete.

Please complete the below tables to ensure SEW are forecasting as well as calculating the Asset Value correctly. An approximate meterage per month of the mains to be installed must be given alongside the number of plots to be connected. If you have any queries with the below please feel free to contact us on 03330 000 060.

South East Water have Estimated the Total Meterage for the above scheme to be:	**M**

	Approximate Meterage of Mains to be Installed per Month											
	Month 1	**Month 2**	**Month 3**	**Month 4**	**Month 5**	**Month 6**	**Month 7**	**Month 8**	**Month 9**	**Month 10**	**Month 11**	**Month 12**
